Experience and Expertise of the organization in the project's subject area

Pixel has a number of relevant experiences that are related with the project field of action. In particular The European project CAVE (<https://www.projectcave.eu/index.php>), intends to work on two dimensions of the European Education Area, that of quality and that of inclusion to counter forms of socio-cultural, linguistic, and psychocognitive inequality, and reducing the main misalignments in the field of education, emphasized in the period of COVID19.

The IDEAS project (<https://ideas.pixel-online.org/>) aims at making secondary school teachers prepared to cope in the short / medium term with the new ways of learning, teaching and communicating with students at risk of exclusion.

The GoGreen! project (<https://go-green.pixel-online.org>) aims at redefining disciplinary programs and educational methods through cooperation between the different institutions of education and providing theoretical-methodological schemes which are innovative and closer to the analyzed realities as well as virtuous models of action which will enhance environmental issues.

Contributions that can be provided to the project

Pixel will be in charge of supporting the project management, of the organization and assessment of quality and evaluation issues as well as of dissemination and exploitation. These activities will be carried out on the basis of the 15 years experience in the field of Pixel and of the 20 years' experience in the field of its president, Elisabetta Delle Donne.

Contact Person's Experience and Expertise

Elisabetta Delle Donne is the president of Pixel.

She graduated in Political Sciences – International Affairs from the University of Florence in 1993. Since then she has constantly been working in the field of European cooperation.

Elisabetta Delle Donne is an expert in the planning and management of European projects focusing in particular on the areas of education, training and culture.

So far Elisabetta Delle Donne has been involved as project planner and manager in more than 100 projects funded by the European Commission. She has developed and coordinated partnerships with more than 400 bodies throughout Europe, including universities, public authorities, training organizations, schools, research centres etc.

Elisabetta Delle Donne is often invited as a speaker or expert at International Conferences to present her European cooperation experiences and the European projects in which she is involved. She is also the main trainer in the international seminar "European Project Planning and Management".

She is also involved as external expert in quality management and external evaluator in European projects mostly funded by the Lifelong Learning Programme.

Lorenzo Martellini, started working at Pixel as European Project Manager after his university degree in Economics – Business Management, in 1999. At Pixel he has managed over 20 projects funded by the European Commission in the field of education and training.
